MEMORANDUM FOR : Executive Director
 Deputy Director (Intelligence)
 Deputy Director (Plans)
 ✓ Deputy Director (Research)
 Comptroller
 General Counsel
 Inspector General

SUBJECT : Payment for Language Instruction

1. To the maximum extent possible foreign language instruction within the Agency should be provided during duty hours through regularly scheduled classes conducted by the Office of Training. It is recognized, however, that there are valid reasons in particular offices when specialized instructional services are preferred, i. e., through individual tutorial arrangements, or through classes before or after duty hours conducted as part of the Voluntary Language Training Program.

2. Because of budgetary limitation, it has become necessary to modify the specialized language instruction services hitherto provided. All tutorial instruction and all Voluntary Language courses initiated after termination of the present semester will continue to be provided by the Language and Area School, Office of Training, only after satisfactory budgetary arrangements have been made for reimbursement to OTR. Instructional costs (at tutorial per hour rate or VLTP instructor overtime) will be borne by the office or component or organizational element which furnishes the students.
